CANOVA ASSOCIATION

The **Canova Association** is an international non-profit organization, which main purpose is the **re-evaluation of local stone architecture** and **raising awareness of its importance** through educational, cultural and artistic events and activities.

GHESC PROJECT

A place can be revitalised and developed through the research and participation of people from all over the world. A small village, abandoned for decades, has thus become the **center of the activities and study of traditional architecture** organized by the Canova Association, in a **fruitful and mutual exchange of knowledge and expertise**.

LOCATION

HOW TO GET THERE

/ THE LOCAL ROAD LEADS TO THE VILLAGE OF CROPPOMARCIO, FROM WHERE A FIVE-MINUTE WALK WILL TAKE YOU TO GHESC.

/ THE NEAREST RR STATION IS DOMODOSSOLA

/ THE NEAREST INTERNATIONAL AIRPORT IS MILANO MALPENSA, WITH ALIBUS OR TRAIN CONNECTIONS WITH DOMODOSSOLA.

ADDRESSEES

Our hands-on project is aimed at enthusiasts of recovery, restoration, traditional architecture and natural materials; professionals, students or amateurs interested in practical activities and an exchange of know-how.

Organized by:

ASSOCIAZIONE CANOVA

PRACTICAL INFORMATIONS

REQUIRED:

/SAFETY SHOES

/WORK GOGGLES

/WORK GLOVES

/WORKWEAR

ACCOMODATION FOOD COSTS

/ **Accommodation** will be in an affiliated facility with rooms, each with a bathroom, for 6 people (divided between males and females, including bed linen).

/ **Meals** are self-managed with the cost of purchasing raw materials included in the participation fee.

/ **The participation fee** also includes insurance and the supply of work and construction materials and equipment. The cost of each workshop is €800 with a deposit of €400.
